

## Group Controller at BioPorto

Are you ready to take the lead of global financial reporting and compliance at an innovative biotech company? Do you have the passion and expertise to drive financial transparency and ensure compliance on a global scale? If so, we have the perfect opportunity for you!

### Your Role

As our Group Controller, you will oversee key financial activities, ensure compliance with regulations, and support our mission of providing world-class in vitro diagnostics to clinicians and researchers. You will report directly to the CFO and work closely with his team of 4 people and support our core business in both Denmark and the US. As Group Controller, you will be responsible for our accountant, who will be reporting directly to you, leading the day-to-day activities to facilitating smooth coordination and execution of financial tasks. The role is wide, and you will be our in-house expert while being flexible towards the company's needs and priorities.

**Your areas of responsibility will include, but are not limited to:**

- Group-level financial reporting and consolidation
- Compliance with international accounting standards (IFRS)
- Monitoring and improving internal controls
- Budgeting and forecasting
- VAT and tax reporting (DK and US)
- Managing payroll
- Coordination with external auditors
- Financial analysis to support strategic decisions
- Ad hoc financial tasks and projects

### Your Qualifications

We are looking for an ambitious and result-driven candidate who will bring a wealth of experience in group financial management, structured financial processes, and a proactive approach to problem-solving.

**Key qualifications:**

- MSc Business Economics and Auditing or equivalent with a strong theoretical background
- Solid experience from the auditing industry
- Extensive experience in group accounting, financial reporting, and consolidation
- Proficiency in Excel; experience with Dynamics Navision is an advantage but not required
- Fluent in English and Danish, both written and spoken, as English is the working language across the BioPorto Group.
- Structured, self-driven, and capable of prioritizing tasks to meet deadlines in a fast-paced environment

### About BioPorto

BioPorto is an innovative in vitro diagnostics company providing tests and antibodies to clinicians and researchers worldwide. Leveraging our extensive expertise in antibodies and assays, we transform novel research tools into clinically actionable biomarkers, making a meaningful difference in patients' lives.

Headquartered in Hellerup, Denmark, BioPorto is listed on the NASDAQ Copenhagen stock exchange and employs around 47 dedicated professionals globally, with the majority based in Hellerup.

We foster an energetic and dynamic work environment characterized by team spirit, commitment, humor, and an informal social culture.

## Why Work at BioPorto?

At BioPorto, we believe that our innovative solutions have the power to transform healthcare. As part of our team, you will work in a dynamic environment where your contributions directly impact on our ability to deliver groundbreaking diagnostics to the world. Based in Tuborg Havn, Hellerup, in 'the Cube' you will enjoy the light office space, the great canteen and hopefully participate in our Friday breakfast and other social activities.

If you are ready to take on a challenging yet rewarding role, apply now and become part of BioPorto!

## How to Apply

Please send your application in English and CV using the [Jobindex portal](#). We look forward to welcoming you to our team!

## Additional Information

If you have any questions, please contact CFO, Niels Høy Nielsen ([nhn@bioporto.com](mailto:nhn@bioporto.com); +45 2551 8724).

Please upload your application and CV in English using the [Jobindex QuickApply](#).

Your application will be treated with confidentiality.

Interviews will be performed in parallel to the application period. We reserve the right to proceed with the employment process if the right candidate is identified during this period.
